3. 4-H Senior Showmanship
4. 4-H Mentor Class
5. 4-H Costume Class

After 4-H Show~Open Show Classes Begin:  
(Classes divided by age)

# 2019 Bucket/Bottle Calf Show

## CHANGE

Fair Requirement ~ **Maximum of two head may be exhibited.**

Change~ **Only one calf may be exhibited per class.**

Reason~ Judging is not based on the calf, judging is based on showmanship. Following are the judging criteria as stated in the fair book:

- a. What the exhibitor has learned about care and the raising of the calf.
- b. The fitting and showing of the calf (only washing and brushing, no clipping or blow drying) with emphasis on what exhibitor has learned. Interview forms are to be handed in at check-in.
- c. General health, conditions and management of the calf and exhibitor's knowledge of this area.
- d. Conformation or quality of the calf will not be considered since purchase should not be on that basis.

Here is a scenario based on the **PAST** fair requirement of **Maximum of two head may be exhibited...**

Sally (a Junior) ID's three calves and decides to show two. The Junior Class will need to be divided into two groups. Show Day—Sally places 2<sup>nd</sup> with Calf #1 in Junior Class Group 1. She hurries to get lined up with Calf #2, she places 1<sup>st</sup> in Junior Class Group 2. Next, 1<sup>st</sup> and 2<sup>nd</sup> places from both Junior Class Group 1 and Junior Class Group 2 enter the ring to determine a Champion/Reserve Champion Junior. Sally cannot lead both her calves in the ring, so she hurries to find a friend to lead her other calf in the ring. What if the judge picks Sally's friend as the Champion? Technically, Sally's friend should receive the award-not Sally because Sally did not lead/show the calf, even though it was hers. Plus, the calf would not be correctly identified in FairEntry with Sally's friend being the exhibitor.

With changing this fair requirement by allowing them to exhibit only one calf per class, correctly meets enrollment and fair requirements as stated in the fair book with exhibitor and animal identification.

## NEW

### Mentor Class

A great 4-H learning experience to mentor a younger child (not necessarily a sibling, perhaps a good friend or neighbor). This has the potential to help the 4-H exhibitor build communication and organizational skills along with helping encourage the younger exhibitor to learn confidence, responsibility, working as a team, plus a great introduction to the 4-H program.

**(Optional)** Mentor class judging will be based on:

- a. 4-H exhibitor and a non 4-H exhibitor in 3<sup>rd</sup> grade and under
- b. Showmanship (younger non 4-H exhibitor leading calf in ring and 4-H exhibitor beside them).
- c. How well the 4-H exhibitor interacts with younger non 4-H exhibitor.
- d. What the 4-H exhibitor learned about being a mentor.
- e. What the younger non 4-H exhibitor learned from their mentor (non 4-H exhibitor will be required to help in the care and raising of the calf).

## NEW

### Costume Class

A fun learning experience to create a costume not only for yourself but for your calf to :)

**(Optional)** Costume class judging will be based on:

- a. Presentation—Exhibitor will create a costume for both exhibitor and calf to wear.
- b. Creativity of costume.
- c. Technique--How well exhibitor controls their calf wearing a costume.

**Note~With these new additional classes, exhibitors now have the opportunity to show three bucket/bottle calves 😊**

Please refer to the fair book for all Enrollment/Fair Requirements and Rules:
